February 25, 1980

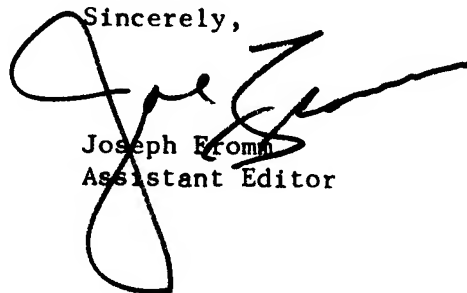

Admiral Stansfield Turner
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Stan:

The enclosed piece of intelligence was passed on to me by one of our agents. Is this a typical example of FBI disinformation designed to discredit a brother-service? Or is it an accurate report of a disaster? If the latter, I'd like another crack at the victim.

Hope to see you soon--on the tennis court or otherwise.

Sincerely,

Joseph Fromm
Assistant Editor
